PHILOSOPHY

At Century, everyone acts as CEO.

CENTURY'S CORE VALUES:

Character

We conduct ourselves honestly and respectfully.

Excellence

We strive to provide best-in-class service and solutions.

Ownership

We are personally accountable for every transaction.

Who are we?

Century Payments is a nationally recognized leader in the electronic payment processing industry, dedicated to developing the most progressive, dynamic programs to benefit merchants, partners and agents alike. Through the white label alliance programs, Century is the fastest growing electronic payments company. In 2012, Century entered the elite group recognized on the Inc. 500 list as one of the top 100 fastest growing, privately owned businesses for three consecutive years. The company is headquartered in Frisco, Texas.

Why Century?

Industry innovators. Game changers. Rainmakers. The people of Century Payments have been called many things – except average. Merging best-in-class payment processing technologies with honest, friendly service, we're bridging the gap between a static financial industry and a human-driven market. This fast paced and dynamic organization is 100% invested in delivering quality products, hiring the best people and providing an outstanding customer experience.

Our Mission

Our mission is to be the most trusted provider of merchant services to small-and medium-sized businesses. We do this by utilizing unique, integrated payment partnering models, investing in the most progressive payment technologies, and delivering exceptional personal service and support. This translates into powerful results for our stakeholders and more importantly, creates a company you can feel proud to partner with and we can feel proud to work for,

When you're empowered to do the right thing, you don't have to ask for permission. That sense of ownership and accountability drives the entrepreneurial spirit behind Century's culture.

Company Evolution

Where you've been helps drive where you're going. That's why at Century, we make it a point to remember where we came from.

It takes more than a following to be a leader. It takes a resume of proven accomplishments. At Century Payments, our key executives have led and grown some of the largest business units in the payment processing industry, offering more than 100 years of combined experience in sales, service and financial management. With these insightful individuals at the helm, Century Payments is able to drive uncommon results for our merchants, partners, and employees.

Since our inception in 2006, Century Payments has grown to over 350 employees spread throughout the United States, enjoying close to \$12 billion in annual processing volume.

"I work everyday with a team of true entrepreneurs. I love that I have that competitive environment that feels like a real team endeavor. Each day is a learning experience. Being pushed to my potential really excites me."

- Sean McNabb, Inside Sales
