Century Payments Exceeds \$1billion in Monthly Processing Volume

A leading electronic payments firm kicks off the new year with major milestone

FRISCO, T.X. February 12, 2013 – Century Payments, Inc., an industry leader in electronic payments processing, announced today that it exceeded \$1,000,000,000 in monthly merchant processing volume as it ended the year in December 2012.

Founded by industry veterans who understand the unique payment processing needs and challenges of today's small- to medium-sized merchants, Century Payments collaborates with ISV, POS Resellers, and Referral Partners to deliver the most progressive, automated payment technology that is also easy-to-use and implement.

"I've been leading merchant processing organizations for over 20 years and I am proud of the unique services Century Payments offers through our strategic partnerships methodology. Our one-of-a-kind solutions give us a competitive edge in what seems like a very commoditized environment," states Robert Wechsler, Founder and CEO of Century Payments. "Through investment in technology, securities, and marketing products we are able to drive high revenues for our clients."

A significant contributor to Century's success is the human factor. From senior management down to the sales floor, Century Payments is a top-notch company that provides an exceptional service in a very competitive market place.

"We are fortunate to have exceptionally talented individuals working with us at Century Payments," continues Wechsler. "I truly believe we have the best people and the best products in this industry. We started 2013 with a bang and I anticipate strong growth throughout the year."

Partners such as [UPS Capital](#), [Office Depot](#), and [NCR](#) use Century as a white label to grow their business and enhance value. Additionally Century offers merchants the [Every Swipe Counts](#)[™] program through the Susan G. Komen, The American Society for the Prevention of Cruelty to Animals (ASPCA), and Make a Wish associations, proving merchants the opportunity to give back to well-known not-for-profit organizations.
